ARTICLE SEVEN: Consensus Procedures

7.01 A quorum must be established for business to proceed at any WRSC meeting.

7.02 A quorum shall consist of a simple majority of active member Areas. If a member Area is not represented at two consecutive WRSC meetings, it shall be given "inactive" status for the sake of quorum computation at the second meeting. Active status shall be returned upon said Area's representation at the WRSC.

7.03 Consensus exists when each member of the Group can say:

1. I have had the opportunity to voice my opinions.
2. I believe the Group has heard me.
3. I can actively support the Group's decision as the best possible action at this time, even if it is not my first choice.

7.04 Guidelines for Participants in Consensus Groups:

1. Begin and end on time
2. One speaker at a time
3. Speak only for yourself
4. No put-downs
5. No blaming
6. No interrupting
7. Everyone may participate
8. No one may speak twice on a subject until everyone who wants to speak for the first time has spoken
9. Silence equals consent

7.05 Consensus Process:

1. Proposal presented; Restated for clarity out loud by a facilitator.
2. Discussion (See below*1)
3. Facilitator asks for Participants Action Options (See below *2) on the proposal.
 - a. Without endorsement (second) the proposal fails.
 - b. Without objection the proposal passes.
4. Once the decision has been made, act upon what you decide.

*1-Procedure for discussion:

- a. Define the problem or decision.
- b. Figure out what must be done to reach a solution.
- c. Brainstorm possible solutions. One good idea leads to another good idea. “NO and CAN’T” does not exist. Creativity has no limits. Be part of, participate. Think fast, analyze later. Judging, evaluating, and criticizing is not brainstorming. HAVE FUN
- d. Discuss pros and cons, attempt to narrow down the list of ideas/solutions.
- e. Adjust, compromise and fine tune so all members are satisfied.
- f. Go back to 7.05(3). If consensus is not reached repeat the above steps 1-5.

*2-Participant’s Action Options

- a. To Give Consent (yes)
- b. To Stand Aside (abstain)
- c. To Block (no)

5. Definitions:

- a. To Give Consent: When everyone in the Group (except those standing aside), says, “Yes” to a proposal, consensus is achieved.
- b. To Stand Aside: An individual stands aside when he or she cannot personally support a proposal but feels it would be all right for the rest of the Group to adopt it. Standing aside is a stance of principled nonparticipation, which absolves the individual from any responsibility for implementing the decision in question. If there are more than a few stand asides, consensus has not yet been reached. The Facilitator will determine this.

c. To Block: Blocking is a serious matter, to be done only when one truly believes that the pending proposal, if adopted, would violate steps, traditions, concepts, or spiritual principles fundamental to NA. Anyone who blocks is encouraged to articulate the reason for the block, so that the consensus process can be continued, and a more agreeable solution can be sought. A vote is blocked, but discussion can continue.

7.06 All proposals are submitted as they arise.

7.07 Except for elections and removal of Trusted Servant (which shall be cast by ballot vote), the WRSC shall use Consensus Decision Making as outlined in Article 7 of the WRSC Guidelines.

7.08 Only RCMs, RCM-Alternates and WRSC trusted servants make or endorse proposals at WRSC meetings.

7.09 Procedural votes shall be cast by voice and substantiated by a show of hands, if necessary.

7.10 Only reaching another consensus can change a consensus decision.

ARTICLE EIGHT: Elections

8.1 Elections are by ballot, with a simple majority required to win.

1 Simple majority means more than half the votes cast.

2 Abstentions or blanks are not counted as votes cast.

3 Votes for unidentifiable or ineligible candidates or for “no” are counted as votes cast, but not credited to any candidate.

8.02 If there is a single nominee, valid choices are the name of the candidate (or “yes”) or “no”. If the candidate gets exactly half the votes, they are not elected.

8.03 If there is more than one nominee, valid choices are the name of a candidate or “no.” If each candidate gets exactly half the votes, nominations will be held open until the next meeting of the WRSC.

8.04 If there are more than two candidates, and none gets more than half the votes cast, the candidate with the lowest number of votes is removed and another ballot is held.

8.05 Nominations shall be open to all members of Narcotics Anonymous as long as they meet the qualifications stated in Article Six.

8.06 All nominees must submit a completed service resume, which will be kept confidential. Nominees must be present at the time of their election or submit a letter of intent to accept the position.

8.07 In the event of a vacated office, temporary appointments may be made by the co-facilitator team to fill that position until the next regularly scheduled election.

8.08 Elections for all trusted servants listed in Article Five shall be held as follows: Nominations shall begin the regional meeting prior to election and continue until the position is filled.

8.09 WRSC trusted servants should take office directly following the WRSC meeting at which they are elected.

8.10 Subcommittees may elect Vice-Chairs, Secretaries and Treasurers within their respective subcommittees.

Election Schedule:

9.05 The willful misuse of any drug as defined by Narcotics Anonymous while serving as a WRSC trusted servant shall constitute an automatic resignation from that service position.

3. The grievance procedure may not be used to address issues of a personal nature or personal issues with WRSC members.

10.02 It is important to note that subcommittees cannot do the day-to-day work; only members can do this, which means that each subcommittee requires the active participation of NA members throughout the Region.

10.03 Our subcommittees are responsible for the planning and implementation of specific tasks charged them by the WRSC. The initiation and finalization of such projects takes place at regular WRSC meetings.

10.04 When a proposal is referred to a WRSC Subcommittee, the subcommittee shall review it and bring proposals and recommendations back to the WRSC at the next cycle.

10.05 Each subcommittee is autonomous but is directly responsible to the WRSC. In order to better serve, the subcommittee may opt to elect its own trusted servants to whom particular responsibilities are delegated.

10.06 Each subcommittee shall develop and review guidelines that include a statement of purpose, and they must submit these guidelines in written form to the WRSC.

10.07 Each subcommittee shall have a budget, a list of goals, and updates on such items to be included in all subcommittee reports.

10.08 All WRSC subcommittee activities shall be conducted in accordance with the Twelve Steps, Twelve Traditions and Twelve Concepts of Narcotics Anonymous; shall also utilize the Consensus Process (See Article Seven).

10.09 Subcommittees shall not use social networking sites for communication without approval from WRSC. If a subcommittee wants to use social networking sites for communication, they can present it to WRSC, and a vote will be held on it.

10.10 Each Subcommittee will hold a “focus” workshop where Area Subcommittees are invited to attend, share, and brainstorm ideas to better further our primary purpose. The “focus” workshop shall be conducted from 5:00PM – 6:30 PM on Saturday of the WRSC weekend. The “focus” workshop schedule is as follows:

January: Hospitals and Institutions

2. The WRSC secretary will keep the updated qualifications on file for 2 years or if elected to a board. The following circumstances and qualities will be considered by the WRSC when electing to the pool:
 - a. The need for balance between rotation (new people and fresh experience) and continuity in NA service efforts.
 - b. Recovery experience.
 - c. Service interests and experience.
 - d. Pool members fall under election guidelines for trusted servants.
 - e. Geographic diversity will be an important factor only if all other considerations are equal.

11.03 Administrative policy for WRSC pool:

1. The WRSC administers the pool. WRSC guidelines are the criteria for election and removal of trusted Servants.
2. All information in the WRSC pool is kept in strictest confidence.
3. Increasing the membership of the WRSC pool is a high priority.
4. Pool members must be re-elected every two years
5. The WRSC Secretary provides a current list of all pool members to WSNAC/WRSO on a yearly basis
6. Each BOD may re-elect members within the committee without members returning to the pool procedure. Members not re-elected must be reinstated to pool by the WRSC.

ARTICLE TWELVE: Hosting Regional Meetings

12.01 When we meet: The WRSC shall meet on the weekend of the third Sunday of the months of January, March, May, July, September, and November. May and July meetings are virtual. January, March, September, and November meetings are hybrid at a hosted physical location. Advanced planning is the key here. If negotiations are made well in advance, you have a much better chance of getting the necessary facilities and reasonable prices.

12.02 Who is responsible? The hosting committee will coordinate with the Regional Co Facilitator B on the agenda, site requirements and negotiation efforts of the weekend. (See Article 3.02 for the entire ASC Host rotation schedule).

12.03 Financial information: The WRSC may provide the hosting Area with up to \$400 toward meeting room costs. Upon finalization of negotiations with the facility, the Area contact person is to notify the

WRSC Treasurer with the facility address, phone number, contact person and cost. Do not guarantee the rooms and sign anything that would indicate a guarantee. Please refer to WRSC Financial Guidelines, F 4.02(5).

12.04 Hotel room setup requirements: Knowledge of how to negotiate with hotels is helpful. You can usually get the meeting rooms at a reduced cost by letting the hotel know that we will be renting rooms and eating at their restaurant (if they have one).

1. Every effort should be made to ensure that ALL facilities used are wheelchair accessible.
2. Regularly scheduled meetings of the WRSC are non-smoking. There may be a designated smoking Area outside of the main room.

12.05 Sleeping rooms: We will need between ten and twenty rooms on Friday and Saturday night. Keep in mind some ASCs and their members simply cannot afford \$90 a night hotel room. If secondary, lower cost lodging is available nearby, include this information in your fliers. DO NOT Guarantee a room block. The WRSC will NOT be responsible for any room block negotiated with a hotel.

12.06 Meeting space: The meeting room should be spacious and capable of comfortably accommodating fifty people. If possible, the suggested set up for the room is 10 tables set up in a square for 40 people with space for an additional 10 people. The room should be secured from 7:30am to 6:00pm on Saturday and 9:00am – 5:00 pm Sunday. We need 1 table for the Treasurer; and a “flyer table”. It is suggested that the hosting Area provide a recovery meeting from 8am – 9am (which day), prior to WRSC. It is also suggested that the hosting Area provide a lunch or dinner, if possible. It is the feeling of the Region that a meal helps promote unity and is a good opportunity for the hosting Area to raise funds. It is not suggested that you book meals with the hotel.

12.07 Fliers: All the necessary information should be completed and submitted to the region six months in advance. With fliers out no later than the WRSC prior to hosting the WRSC weekend. A list of addicts available to act as local information guides included on the maps is greatly appreciated.

12.08 Helpful Hints: If possible, use a facility that includes hotel rooms and meeting rooms. It is always tempting to use a number of facilities to keep costs down; however, cost has to be weighed against convenience. If it just isn't possible to hold the entire weekend event at one location no more than one other facility should be used, and there should be detailed maps at all locations. Ask the facility if they can provide electrical cords and power strips to accommodate 30 – 40 Laptops; electrical outlets nearby; and Wi-Fi internet access would be helpful. The WRSC meeting may be held in locations other than a conference room at the hotel, examples like a church basement, community center, or school. Remember the size of room we need is to be spacious and capable of comfortably accommodating fifty (50) people. Region will only pay up to \$400.00 for the space per cycle.

WISCONSIN REGIONAL SERVICE CONFERENCE FINANCIAL GUIDELINES

ARTICLE ONE: Definition

F1.01 This set of guidelines shall serve as a written set of instructions for the dispersal of WRSC funds.

F1.02 These guidelines shall set forth the procedures for documentation of all expenses and revenues and to assure a complete and accurate record of WRSC finances.

F2.02 The WRSC Treasurer, Vice Treasurer, Co Facilitator A, Co Facilitator B, and the Secretary shall be designated as co-signers of the WRSC bank account.

F2.03 Checks drawn on the WRSC bank account shall require two signatures for any and all transactions.

F2.04 No Trusted Servant may sign a check made out to themselves.

F2.05 Use of the bank debit card or EBT (Electronic Bank Transfer) should only be used if writing a check is not feasible. Use of the debit card is limited to signers on WRSC's bank account or the administrators for the phone line or web site with the knowledge that they only use the card as specified here. The Treasurer will notify these authorized persons should the card number or expiration date change. The person who uses the card or EBT must notify one other signer in writing prior to the transaction. The one exception is if a bill is set on autopay (i.e., the phone bill or web site). The treasurer shall be in possession of the card at all times and should be kept in a safe place and should not be carried around with the person except at the time of surrender. Because the Treasurer's name is on the card, the card is to be surrendered at the end of the Treasurer's final term and a new card shall be issued by the bank with the new Treasurer's name on it. This should be done at the bank when the signers appear at the bank to make the necessary changes to the account at the end of the Treasurer's final term.

F2.06 At the end of their final term, the outgoing Treasurer shall reveal the WRSC online banking username and password to the new Treasurer. The new Treasurer will change the password on the account after an audit which will be conducted after the end of the RSC.

F2.07 The WRSC shall audit the books once a year utilizing an ad hoc committee comprised of at least the WRSC CoFacilitator A, the Regional Delegate and if the WRSC body as a whole deems it necessary, an outside professional auditor. The audit shall commence two regional service conferences prior to the end of the current Treasurer's term and shall report on the last RSC of the Treasurer's term. This audit shall follow the currently approved audit format. The WRSC shall also audit the books of WSNAC a minimum of once every 3 years utilizing an ad hoc committee comprised of at least the WRSC Co-Facilitator A, the Regional Delegate and if the WRSC body as a whole deems necessary an outside professional auditor.

F2.08 No two active signers of the WRSC bank account may reside in the same household. See F2.02 for list of signers.

ARTICLE THREE: Reserves and Allowances

F3.01 With the exception of the RD Team, each subcommittee and trusted servant shall submit an itemized annual budget request to the Treasurer, by the first RSC of the year. The RD Team will submit a budget request for their entire term, due to the RSC after their election. These budgets will be reviewed and approved at the following RSC. Note: These budgets are simply a projection of anticipated projects and expenses for the year/term. All funding needs over the working reserves will still need to be brought before the WRSC for approval.

F3.02 Working reserves shall be established from these budgets for the purpose of regular administrative costs incurred by the committee or Trusted Servant (i.e., electronic record storage, website hosting and associated costs, phone line, phone calls, mileage) during the period between regional meetings. (These figures may be adjusted, if necessary, at the beginning of the next budget year.) The delegate reserve allotment amount is established from projected total expenditures for attendance at World Service Conference meetings, including quarterlies, divided by twelve.

F3.03 Expenses in excess of these reserves, or requests for funds by other individuals directed to, or required to travel by the WRSC, will be reimbursed after a motion to reimburse the expense is brought by the individual, or a designated party, to the WRSC and approved.

F3.04 Mileage will be reimbursed at the following rate of up to \$.45 per map mile.

F3.05 The Treasurer shall be able to disburse funds up to \$400 to cover the meeting room expenses at the RSC meeting.

2. Lodging: Amount necessary to provide lodging at the conference hotel.
3. Meal allowances \$50 a day maximum.

F3.07 The RD and RDA must give unanimous consent to any members occupying the room paid for by the WRSC.

F3.08 Any Trusted Servant of the Region who would be reasonably thought to be entitled to reimbursement of expenses at a later date may request an advance to cover these expenses. This will be recorded as an advance with that Trusted Servant being liable for the full amount until a valid expense report including receipts are turned in and/or until the cash is returned.

F3.09 Any WRSC participant as defined in Article 4.01 and 4.02 and any WRSC elected trusted servant as defined in Article 5.01 may request funds for participating in the WRSC meeting for up to \$75.00 per regional meeting. The Conference Participation Fund shall be broken down into three \$25.00 sections; they are as follows: Saturday, until Lunch; Saturday, Lunch until close of business. Sunday, until ending

of the Conference weekend. All participants attending the full conference are eligible to receive \$75.00. Participating expenses are limited to travel, lodging and /or meals.

8. The Treasurer shall be responsible for making sure that these procedures are followed.

ARTICLE FIVE: Expenditures

F5.01 Expenses will be paid on a "cash available basis". No expenditures will be made unless there is sufficient money available to pay for them. This is to keep the name of WRSC and NA as a whole above reproach.

F5.02 In the case of in-between cycle expenses, the subcommittee will complete a "Funds Request Form" and either email or mail it to the Treasurer. The Treasurer will determine if there are adequate funds available and if the request falls within the requirements of the subcommittee working reserve for that cycle. If the request falls within the abovementioned parameters, the Treasurer will create a check and sign it and forward it to another authorized signer on the account. That person in turn will sign it and send it to the subcommittee. Communication between the parties should occur during the entire process. Should the request NOT meet the above-mentioned requirements the request will be discarded, and the subcommittee will be informed of the denial. Unbudgeted expenses can only be paid after a proposal at the RSC. It is suggested that before a member incurs expenditures to contact the Treasurer to ensure that the request falls within the above-mentioned parameters.

F5.03 WRSC expenditures shall be dispersed in accordance with the following list of priorities:

Replenish reserves:

Prudent Reserve of \$500.00.
